**- WHAT'S NEW ?????**

We would like to THANK all those people who showed up at the TOSS SC2 contest to give a hand. Without your help, it would never have been as successful. Approximately seventy participants flew the three rounds. That's 210 plus times that the winch lines had to be pulled back. I am sure that there were some cripples the next day. To those who manned the tables, cards, radios, kept the scores — we are seriously in your debt.

At the TOSS SC2 contest: Mike Reagan placed second in expert and Bob Swet placed second in sportsman. Along with the other club participants this yielded a first place for the club overall.

We still have some XL and Medium size TOSS shirts available for TEN dollars. Get them while you can, our next purchase won't be for as many and that means the prices will go up. Contact Bob Swet (388 - 9619) to place your orders. For those of you wanting XXXL, contact Larry Jiminez (684 - 2125). I am afraid to say he's looking for money before he orders them.

**There will be a League of Silent Flight day at Redwood School on May 5. This will be for those who are striving for their LSF 1 rating. Bring your paperwork and we'll see what you can do.**

**OLD BUSINESS :**

- 1) none

**NEW BUSINESS :**

- 1) September cross country contest will not be held this year due to lack of TOSS participants (approved by club vote)
- 2) There will be a regular club style contest held instead of the cross country contest.
- 3) There will be a 'LSF 1' day on MAY 5 for those trying to complete their LSF 1 ratings.
- 4) There was one complaint brought to the school board's attention by a citizen three
