# TOSS TALK

F.Y.I.

## THANK YOU

I would like to thank all of the club members and club officers for making 1994 a fun and successful year! Special thanks go out to Bob Swet for doing a great job on the newsletter.

## NEW OFFICERS

This years officers are Edgar Weisman (President), Mike Reagan(V.P.), Bob Swet(Secretary),and Larry Jimenez (Editor/Treasurer).

## RAFFLE HELPER NEEDED

We need someone to run our club raffle. Call me if you would like to help, since we won't have a raffle until we get a raffle helper.

## DECEMBER MEETING

The December meeting had a low turn out so I don't have a lot of info to pass along. We have about \$450.00 in the club account minus \$200.00 or so owed to Bob Swet. I am still looking for a bank that will give us a free checking account and should know more by the next meeting. On the back of the newsletter you will find a list of this years contest dates and the contest directors. It would be nice if each C/D would give me a short run down after each contest so I could use it for the newsletter. Sonny Kim has moved out of the area and he will try to come to our contests as often as he can. GOOD LUCK SONNY!

## IMS SHOW 1995

On January 13th. Bob Swet, Charlie Babcock and I drove down to Pasadena for the IMS show. There was lots to see and buy. It seemed to me attendance was down from previous years and the number of exhibitors was also down. The weekend before there was a similar show in Long Beach and this could have had some effect on the IMS show. If you have never been to this show it is still worth going to and if its your first time you won't notice any difference anyway.

## PARAGON CHALLENGE

Don Northern has come up with another idea for injecting some fun into our hobby. His idea is to have a Paragon only contest. Everyone would fly a Paragon and rely on his or her skill to win. The last time I talked to him about this project he informed me that he was almost done with his plane and was going to help me build mine. Don is a pretty cocky guy and doubts that anyone could out fly him not even B.J. He went on to say that by the end of the year he would have to build a new trophy case to hold all of his new trophies. ***Is anyone up for this challenge???*** If anyone wants to join Don in this project give him a call. No date has been set for this event. Several people have already started building their plane.
