### Flying Site Acquisition News:

There has been one response to one to  
our member's inquiry about the Hill Canyon  
property via City of Thousand Oaks web site.  
Bill inquired as to why this is occurring and  
if it was policy not to respond to tax paying  
citizens. It seems that Chuck Rogers did  
respond to Paul Crittenden and from the text,  
apparently Rogers is the contact for this land.  
Hong (City TO) indicated to Bill that the parcel  
will be let to the highest bidder and Rogers will  
advise us when to bid.

Bill has been informed that Ventura County  
Parks department will not consider a special  
use permit for the county park at Hill Canyon  
until December.

Andy Won the door prize; a DC voltage tester.
