

Thousand Oaks

Sept. / Oct.

Soaring Society

2013

TOSS is a District X Member of the Academy of Model Aeronautics, CharterClub # 1493

<http://www.tosoaring.com/>

Minutes of the Meeting Held 9/25/2013

Present were: Charles Babcock, Bob Swet, Craig Borstelman, Don Northern, Richard Mason, Gary Filice, Martin Usher, Steve Miele, Mike Stern, Andy Tiffin, Bob Van Landingham, Jim Pendergrass, Mike Reagan

Treasury Report: \$1,812.36

Lang Ranch Update: Visit with RRM Design Group Architects and CRPD folks took place on the 18 of the month. We had opportunity to walk the property with RRM and discuss our needs for the area. The meeting took about 1 hour and 45 minutes. We were able to give a flight demo with a hand launch. There will be a follow up meeting to look at the final design layout.

Multiple Winch Set ups: Ran two winch set ups at the field last weekend, and things went well in that the temperature of the motors was kept to a nominal level by restricting 20 launches to each set up. The launches were tracked on a counter.

The whole affair ran seamlessly, and no one stood around waiting for the repair of overheated equipment or for dead or dying batteries. This method would go well on the new field in that there is more room to run two set ups.

Monthly TOSS contest award ideas: Looking at ideas to help increase participation and reward participation for the monthly TOSS contests. Don Northern ordered some of the hand made slate coasters from Wales, TOSS hats were ordered, we have shirts to give out as awards, and we have some TOSS placks that can be recycled as well into expert and sportsman class awards. Airplane kits can also be given away.

Yearly TOSS dinner ideas: We will check into Goebel senior center, Los Robles Country club, Tina Northern's club house, and Port 121 party center as possible ideas for a meeting location.

TOSS will have 14 people going to fly at the FALL FEST for this year! Various individuals will bring E-ZUps (three) and don't forget to bring your own chair! It was suggested that we all go out to dinner on Saturday evening.

Mike Reagan gave a report on the World Soaring Masters in Muncie Indiana. They had 22 rounds of flying in two days, all 12 minute rounds. Mike took 6th, and Kyle Paulson took 2nd. Congrats on great showing for TOSS flyers with the best in the world!!!
