ITEMS FOR DISCUSSION

1. Need for installation of new club officers December 1st deadline for election of officers. See attachment with the duties of the various official positions. For those interested, please sign up! We need nominations for those positions! We need your help to run our club! We will review the responses by the October meeting and have a final vote on officer installations by the club holiday party.
2. John Elias has kindly volunteered to host the TOSS yearly party at his home this year!
3. The plan this year is to have TOSS members make a refundable charge of \$15/person. This will be refunded at the time each member attends the party. This helps us to get a commitment on who is going to attend as indicated by the cover charge received from each member so that we can pay the caterer ahead of time. When you as a member attend, you get your cover charge refunded. In other words, TOSS is paying for the party this year!!
4. We are looking into a completely different fare for the food this year. More information to follow.
5. Photos of winch/retriever cart.
